Supporting Virtual Learning Module 1	**The unexpected change to online learning has added another demand to an already stressful year. This is the first workshop in our series of supporting caregivers through this unprecedented situation. This webinar will focus on strategies and ideas to support children in navigating the online learning environment. Caregiver and teacher communication, setting up your environment, creating a routine and setting achievable expectations will be discussed.** **Dates:** **February 25, 2021** **Time:** **10:30am-11:30am** **Location:** Live online (link will be sent via email the day before the session) **Link to register:** https://www.eventbrite.ca/e/parents-supporting-virtual-learning-for-caregivers-of-tdsb-students-tickets-133143976217
