HIP HOP & DANCE

Cost \$135.60

Explore It All

Grades 1-3

Hip hop and breakdance are high energy, upbeat, street styles of movement that find their roots in styles such as jazz, rock dance, Latin dance, gymnastic skills and martial arts. In this active program, students will explore the coolest dance moves around in a fun and supportive environment – first learning basic breakdancing and Hip Hop moves, and then developing their own unique style. Dance like they do in all the hottest music videos!

WANDA'S CLAY
Wanda's Creative Clay
Grades 1-4

Cost \$135.60

We are Wanda's Creative Clay. We are a team of caring clay instructors who value and love children. Wanda's Creative Clay has been in business for over 20 years, instructing both at our studio and at many schools in the GTA. Our programs are popular, largely due to the following:

No fail step-by-step instruction

Creative Weekly Projects

We create a fun, safe and enriched environment

Affordable pricing

The children work on their fine motor skills, math, colour recognition, manners, teamwork and confidence without realizing it!

*****Please note that cheques should be made out to Wanda's Creative Clay**

UKULELE
Ukulele Kids
Grades 1-6

Cost \$119.00

Ukulele Cost \$40.00

Ukulele Kids classes are based on the enjoyment of music through playing the ukulele and singing. Repertoire that spans the decades brings an understanding of various forms and styles of music. Teachers incorporate theoretical concepts as they appear in the songs being learned. As singing is an important part of each class, students learn to be more expressive. This leads to more self-confidence and creativity as the classes progress.

*****Online registration available at <http://ukulelekids.org>**

DI NAHLA ART – MIXED MEDIA/ART DECO
Grades 1-6

Cost \$130.00

The students will be making at least two complete art projects using paint, decoupage, stencils, modelling paste & many more to create a 3D effect on different surfaces (wood, canvas, glass & more). Demonstration of colour mixing and use of different brushes & techniques on different surfaces, allow the students to make projects that they can proudly take home and display. Everyone is an artist, and it's usually the shyest of kids that enjoy art the most because it brings out what they want to say and what they feel. And We guide them through everything step by step!

FRIDAY**April 13 – June 1****STEAM KIDS**

Cost \$135.60

Explore It All

Grades JK/SK

S.T.E.A.M. Kids is all about inspiring children to be inventors, innovators and leaders. In this hands on, engaging program, we'll dig into all areas of S.T.E.A.M.- perhaps building rockets or engineering bubbles; exploring the stars or our senses; or learning about circuits and gravity. Let's question like a scientist, design like a technologist, build like an engineer, create like an artist, deduce like a mathematician and of course – play like a kid!

<http://www.exploreitall.ca>

*****Online registration available at <http://www.exploreitall.ca/armour-heights-p-s/>**

ART WITH NANCY

Cost \$199.00

Art w Nancy

Grades 1-6

Art with Nancy (www.artstudioforchildren.com) returns this winter for a brand-new term of fabulous projects, bringing colour and creativity to our coldest months!

<http://www.artstudioforchildren.com>

*****Please note that cheques should be made out to Nancy Macdonald.**

STOP MOTION STUDIO

Cost \$135.60

Explore It All

Grades 4-6

Stop-motion is the process of animating an inanimate object like a doll or action figure – but you can animate anything using stop motion, like food or school supplies, or even people! This fun animation program offers the chance to explore the fundamentals and techniques of stop-motion – from building characters and storyboarding a concept, to bringing it all to life frame-by-frame in front of the camera!
