

Armour Heights Winter 2017 Lunchtime Activities

We are looking forward to another wonderful term of lunchtime and after-school programs! In keeping with our move to use less paper, we will once again offer all registration materials online so that you can **print the registration forms at home**. Fill out the forms and return them with the required payment in the Friday file or to the lunchtime program bin on the office table. If you are unable to print your registration forms, a few copies will be available in the office. Some programs require online registration. It will be noted below.

Please review the programs offered and **return completed registrations by Tuesday, October 10th, 2017**. Late forms may affect whether or not your child gets into a program. **There is no pro-rating for registration past the start of the programs.** Note: once a program has begun there are NO REFUNDS, so please make sure your child is committed to the program!! Registration is first come first served! **So get your forms in quickly to secure your child's spot. We will contact you via e-mail to let you know whether or not your child has been registered for the program.**

Please print out the calendar of events and post it somewhere handy so you can remind your child of their programs and the classroom location. A list of students participating in the programs as well as the calendar will be posted in the office and in the classrooms.

ALL CHILDREN ARE TO EAT LUNCH IN THEIR CLASSROOMS PRIOR TO GOING TO THE ROOMS WHERE THE PROGRAMS ARE BEING HELD. PROGRAMS WILL BEGIN THE WEEK OF OCTOBER 16th (with the a exception of the Friday programs which begin October 13th).

REGISTRATION FOR AHPS INTRAMURALS, CHOIR & MRS. PEARL'S KIDS LIT PROGRAMS ARE DONE VIA THE TEACHERS AND NOT ON THE LUNCH PROGRAM FORM.

If you have any questions, please do not hesitate to contact me:

Armour Heights Lunch Program Descriptions

Fall 2017

MONDAY

October 16 - December 4

DISCOVERY LAB

Grades JK – SK Cost: \$120 + HST

Expand your scientific mind and discover how the world works in your very own discovery lab! By participating in fun, hands-on activities and experiments, students will develop their understanding of how science applies to the world around us. From ecosystem interactions to weather, or the kinetic differences between solids, liquids and gases, Discovery Lab has something for everyone!

Register online: <http://www.exploreitall.ca/armour-heights-p-s/>

LEGO ADVENTURES – Photo Slide Show Movie

Grades JK – SK Cost: \$110 + HST

This program challenges students to construct and re-design a variety of the most famous and iconic buildings, bridges and structures, all created out of LEGO. Students will go on a new LEGO Adventure each week, learning about a new recognizable landmark around the world. Then, the students will have 10 minutes to plan out their creations, and another 45 minutes to put their structures together. At the end of each class, the students will use HD digital cameras to take different angled photos of their Lego Adventure Creations. At the End of the Program, Each Student will receive a brand new USB key to take home with a slide show movie of their LEGO Adventure Creations. This is a one of a kind LEGO Experience!

KNITTING

Grades 3 – 6 Cost: \$120 + HST

Cozy circle scarves, comfy sweaters and warm woolen mittens are just a few of the wonderful items you can create once you know how to knit! This class is for any knitting enthusiast, both beginner and advanced. We will review the basics of knitting, from casting on to knit stitches to binding off, followed by creating multiple small projects to add to your woolen collection! We may even try our hand at other forms of knitting, such as finger knitting, arm knitting or peg knitting! It's amazing what you can accomplish with some yarn and a few knitting needles!

Register online: <http://www.exploreitall.ca/armour-heights-p-s>

VIDEO GAME DESIGN

Grades 1 – 6 Cost: \$115 + HST

This program is designed to challenge students in a fun, non-competitive environment as they design and create their own unique video games. Throughout the program, students will create up to 5 different video games. For each game, they will learn how to add characters, obstacles, backgrounds, and multiple skill levels. Students will also be able to fully customize their title pages, high-score boards, instruction pages and cheat codes. At the end of the program each student will receive everyone's video games to take home on a NEW 1GB USB KEY!

Register online: <http://www.youcreateit.ca>

DIY JEWELRY

Grades 1 – 6 Cost: \$96 + HST

Become an expert in our Designher Co. DIY Jewelry program! With the use of jewelry pliers and a wide variety of different materials, you will develop fine motor skills, dexterity, creativity, and imagination! Over the course of 8 classes you will design and create 6-8 fabulous pieces that you can wear or share.

TUESDAY

October 17 - December 5

WACKY ARTISTS - UNIQUE ART PROGRAM

Grades JK – SK Cost: \$115 + HST

This wonderful wacky new program focuses on basic art principles and introduces students to a variety of art materials and techniques. Each Project is designed to celebrate their creativity and encourage independence. Students will have the opportunity to experiment with a broad range of mediums, while exploring, making a mess and having fun!
(Projects Include: Mosaic Art, Pottery Sculpting, Painting, Beading, T shirt Design and More!)

Register online: <http://www.youcreateit.ca>

LITTLE FINGERS MUSIC KEYBOARD JAM

Grades JK – SK Cost: \$120

The "Little Fingers Music Keyboard Jam" is a fun introduction to keyboard playing for young musicians and learners. Keyboard Jams are a fun and interactive way to learn the fundamentals of keyboard playing and music theory through the use of SongGames and hand percussion. GOALS OF

COURSE:

Students will learn to recognize the seven letters of the musical alphabet. Students will learn hand position on the keyboard, and the first five notes in the treble clef.

Students will learn how to clap and count short rhythms featuring 1/4 notes, 1/2 notes and whole notes.

Students will learn to play short pieces on the keyboard with the first five notes of the treble clef.

DI NAHLA ART - MIXED MEDIA/ART DECO

Grades 3 – 6 Cost: \$130

Mix media Art - Students will be making an art piece using paint, decoupage, stencils, modeling paste and many more materials to create a 3D effect on different surfaces wood, canvas, glass and more!

They will start by learning how to mix colours and use different brushes and techniques on different surfaces to create projects that they can proudly take home and display.

Everyone is an artist, and it's usually the shyest of kids that enjoy art the most because it brings out what they want to say and what they feel.

HATCH - CODING PROGRAM

Grades 3 – 6

Cost: \$170 + (use of laptop included)

- Hatch prepares students for the 21st century by teaching them how to write computer code using JavaScript in a fun and engaging way.
- Hatch's proprietary educational platform is designed around the principles of self-paced and mastery-based learning to encourage children to challenge themselves.
- Children work to build their own digital portfolios from a library of 600 projects including Minecraft, Star Wars, games, art, design apps, and much more!

Register Online: <https://hatchcanada.com/registration/schools>

WEDNESDAY

October 18 - December 6

PAWSITIVELY PETS

Grades JK – SK

Cost: \$111.60 + HST

Take a walk on the wild side with the Pawsitively Pets lunch program! Meet all things furry, feathered, slithery and slimy up close and personal on a wonderful hands-on animal adventure with our special team of rescued animals.

POP STARS WITH SONSHINE AND BROCCOLI

Grades 1 - 6

Cost: \$128 + HST

Who doesn't dream of being a Pop Star! Now your child can, with Sonshine & Broccoli's highly interactive and educational Pop Stars program. Pop Stars will teach your kids about the basics of music, while getting them hopping and bopping to their favourite top hit songs. Participants work together to create a hit of their very own and they even go home with a CD recording of their created songs.

TYPING ADVENTURES

Grades 1 – 6

Cost: \$115 +HST

Children will learn the basics of typing developing their fine motor skills through interactive weekly games, activities and tests. Based on a Mac environment children will also learn how to use iPhoto and iMovie as they edit and create their own projects including a photo slide show movie using HD Digital Cameras. In addition to getting a certificate of completion children will take home all of their computer projects on a brand new USB key.

Register online: <http://www.youcreateit.ca>

TOONED!

Grades 3 – 6

Cost: \$120 + HST

Cartooning is a skill for the ages: It all started with Mickey Mouse on his steamboat, developed into classics like Garfield or Calvin & Hobbes, and continues with favourites such as Phineas & Ferb. In Tooned!, students will explore the fundamentals of character development, cartoon drawing and creating comic and flip books. They might even use stop-motion animation to watch their characters come to life right before their eyes! Will you create the next Scooby and Shaggy or Spongebob and Squidward? Find out, in Tooned!

Register Online: <http://www.exploreitall.ca/armour-heights-p-s>

THURSDAY

October 19 - December 7

ART STUDIO FOR CHILDREN FINE ARTS PROGRAM

Grades 1 – 6

Cost: \$190 +HST

Nancy Macdonald, Art Studio for Children www.artstudioforchildren.com, returns to AHPS for a brand new term with brand new projects. Your child will create beautiful original pieces and love the process. Great for holiday gift giving!

WANDA'S CLAY

Grades JK – SK Cost: \$112 + HST

Wanda and her team are back with more fun clay creations. Learn how to mold amazing clay pieces with gentle step-by-step instruction, baking and packaging each week. Kids Grades 1-4....no experience needed.

AFTER SCHOOL 3:20 - 4:20 PM

IN THE MIX - HIP HOP DANCE & IPAD TECHNOLOGY

Grades 1 – 4 Cost: \$115 + HST

In the Mix is an innovative program that provides a unique opportunity for children to explore what's new in dance, music and internet technology. This experience is very much about developing mind and body, and gaining confidence and social skills. Students will learn a brief hip-hop dance to share with parents at the last class, and will also work collaboratively in small groups to create one-of-a-kind music-videos, using iPads supplied by In the Mix. Kids get to be Directors, DJs, and Choreographers while producing their own custom HipHop music-videos! Students have full creative freedom yet are guided appropriately to help them progress and spice up their videos and dancing. At the end of the session, students can securely view their videos at the In the Mix website. To learn more about this program

AFTER SCHOOL 3:20 - 4:20 PM

TEN TEN SPORTS - MULTI SPORT

Grades 1 – 4 Cost: \$145 + HST

3 sport program (Soccer, Floor Hockey and Basketball)

The TenTen Sports Academy's exciting 3 Sport Program offers children an active and energetic program instructed in a fun, and safe environment. The 3 Sport Program teaches the students Soccer, floor hockey and Basketball. The Sports program is instructed using drills and exercises to each particular sport. Each week we will play games as well. This is a fun and great way to get children to have fun playing sports.

FRIDAY

October 13 - December 15 *skip dates Nov 17 / Dec 1

MINI ART FOR LITTLE HANDS

Grades JK - SK Cost: \$150 +HST

Nancy Macdonald, Art Studio for Children, www.artstudioforchildren.com, returns to AHPS for a brand new term with brand new projects. Your child will enjoy an introduction to ASFC and Fine Arts creating fabulous art and some understanding of technique.

LEGO NEXO QUEST

Grades 1 – 3 Cost: \$120 + HST

Explore the infinite possibilities that LEGO® has to offer in this program based on the animated television series – LEGO® Nexo Quest! Get creative in this medieval yet futuristic world to build with LEGO® and help Clay, Aaron, Lance, Princess Macy and Axi protect the kingdom from Jestro, the Book of Monsters and their army of Lava Monsters. We can create our own stories, explore the world (and beyond) and let our imaginations run wild as we build and seek out adventure in LEGO® Nexo Quest together.

Register Online: <http://www.exploreitall.ca/armour-heights-p-s>

CLAPBOARD KIDS FILM WORKSHOPS

Grades 1 – 3 Cost: \$140 + HST

Lights! Camera! Action!

Clapboard Kids is a hands-on filmmaking program that teaches students professional filmmaking skills from an award-winning filmmaker. Using the latest technology, students work collaboratively through the stages of filmmaking – from the creation of an original film idea, through to the planning and shooting of their very own short film. During the session, students will have the opportunity to try out a variety of filmmaking roles and skills (i.e. acting, directing, writing, wardrobe, sound, cinematography and editing).

A range of filmmaking techniques will be explored. These include stop-motion animation, claymation, cartooning, basic special effects and live action to help students create their original productions. As part of the class, students will be given an introduction to film editing using the iMovie app. All technical equipment, props, costumes and set pieces are supplied.

At the end of the session, each student will receive a copy of their finished films to share with family and friends, along with filmmaking information and templates to help them plan their next production!
