

## AY JACKSON'S KEY CLUB MEETS ONTARIO PREMIER KATHLEEN WYNNE

From Friday, March 27 to Sunday, March 29, hundreds of Key Clubbers gathered at the annual Eastern Canada District Convention, also known as DCON. This year, DCON took place in Toronto. It was an indescribably amazing experience.

From meeting honourable public figures to making lots of new friends, from attending workshops to participating in the House of Delegates, from fundraising for UNICEF to dancing the night away...the seven Key Clubbers from A.Y. Jackson had the best weekend of their lives.

DCON was an inspiring journey, a reminder of the ultimate purpose of Key Club and the true meaning of service.
