Late assignments will not be accepted after the assignment has been taken up in class or the marked assignment has been returned.

#### Missed Evaluations

A student who misses an evaluation must submit, upon return to class, a parental/guardian note or a doctor's note detailing the reason for the absence. The student may have the opportunity to demonstrate their proficiency of learning expectations at a later date, at the teacher's discretion. This may or may not be in the same format as the original evaluation. The teacher will determine the time and form in which the evaluation will take place.
