

Guidance Newsletter

Learning Centre 2 Guidance Personnel

SEPTEMBER 2018

VOLUME 1, NUMBER 1

How to Stay Organized

- ✓ set up your binder with a section for each subject using dividers
- ✓ keep school supplies in a pencil case
- ✓ label your items in case of loss
- ✓ use your school planner every day to assist you in keeping track of due dates and daily homework
- ✓ colour-code your timetable and hang it in your locker
- ✓ keep only current items in your locker
- ✓ prepare your items for school the night before (homework, lunch, forms, etc.)
- ✓ look after important documents as you receive them (field trip forms, high school forms, etc.)
- ✓ arrive at school on time and ready to learn
- ✓ have a buddy who can fill you in if you are absent

Welcome to LC2 Guidance!

This newsletter is created by the Elementary Itinerant Counsellors in LC2, where your child's school is located.

EIC hours vary from school to school within our Learning Centre. If you have a concern about your child, please contact your child's teacher, or the principal of your child's school.

Our goal is to keep you (students and parents/guardians) informed of all things Guidance!

The TDSB Vision of Guidance

- ❖ promote success for all learners
- ❖ foster and support the emotional, social, and academic well-being of students
- ❖ promote all pathways and honour all destinations
- ❖ help students make connections with self and others, in school, within the TDSB, and in the broader community

Important Information for the Transition to Grade 9

Over the next few months, Grade 8 students will receive very important information about the transition to high school. It is imperative that students be responsible in sharing this information with their parents/guardians. Here are some items to watch for:

- High School Information night at your child's school**
- [High School Information Nights](#) at high schools they are considering (October to January)
- "Choices for 9" pamphlet (October)
- high school application form deadlines (December/January)
- high school entrance audition/examination (November/December/January)

Also, please ensure that we have your current address on our system. Your home high school is determined by your address.

Let's make it a great year working together!
