June 2018

Dear Principal,

**Re: Immunization Clinic for Grade 7 Students**

Your first immunization clinic is scheduled on **Thursday, November 22, 2018, AD.**

All Grade 7 students are eligible to receive meningococcal, human papillomavirus and hepatitis B vaccines. Please note the meningococcal vaccine is mandatory for school attendance.

We are requesting your assistance and cooperation to accommodate the clinic date. If changes are necessary, please contact us directly at 416-338-1331 or by email at [vpdschoolscheduling@toronto.ca](mailto:vpdschoolscheduling@toronto.ca) before **June 21, 2018.**

Beginning September, a Toronto Public Health nurse will visit your school to deliver the consent packages and discuss the processes to ensure delivery of a safe and efficient clinic.

Thank you for your ongoing support to keep all students healthy.

Sincerely,

VPD School Scheduling Coordinator  
Toronto Public Health
