

Trustee Yalini Rajakulasingam

Ward 21, Scarborough North

Dear Parents, Guardians, Students, and Community Members,

Welcome to the 2022-23 school year! I hope you and your family had an enjoyable and safe summer.

As the elected Toronto District School Board Trustee for our community, my role is to advocate for you and your child and to amplify the voices of all students, parents and guardians in the Toronto District School Board. As someone that was raised in and attended schools in Scarborough North, I have a deep understanding of what the community's needs are and the inequities that many families continue to face. I have committed myself to disrupt all forms of anti-Indigenous racism, anti-Black racism and systems that continue to reinforce discrimination based on race, gender, class, abilities and geography.

After more than two years of the pandemic, we are preparing to welcome students and staff to a more normal school year in September. While the Government of Ontario has lifted most COVID-19 measures, the health and safety of our school communities remain our top priority. The TDSB will continue to monitor the pandemic and follow the guidance and direction from the Ministry of Education and Toronto Public Health as needed.

We know that school can be an exciting and overwhelming time – for both students, parents and guardians. To help you and your child have a great year, please visit www.tdsb.on.ca for information on the school year calendar, transportation and getting involved, as well as resources for homework and so much more. The Toronto District School Board is also here to support you and your family's mental health and well-being needs. For a list of tools and resources, including those tailored for students and parents/guardians, please visit <https://www.tdsb.on.ca/Mental-Health-Well-Being>.

Lastly, I wish to continue to express my deepest gratitude to our frontline healthcare workers and those who provided essential services during the pandemic, such as grocery store staff, delivery drivers, take-out staff, janitorial staff, and many more. Not everyone has the privilege to work from home, and we thank all those who continued to work throughout the pandemic to keep our Scarborough North community healthy and strong.
