<p><i>School Food Program</i></p>	<p>Concern raised over high sugar food being served (juice boxes etc) as snack. Discrepancy between TDSB catering and health guidelines (Toronto Public Health). Funding for the snack program is only 30% of what it costs to deliver the program hence the program is scaled to money available. Need for better communication and parent involvement to check if tweaks of menu are possible including food wastage and excessive packaging</p>	<p>Noah</p>
