PRINCIPAL'S MESSAGE

Welcome back to a most exciting 2018-2019 school year! On behalf of all Carleton Village staff, I would like to welcome our new students and families and our returning students and families. We are confident that this year will be exciting, challenging and most of all productive. I am looking forward to working with new and returning staff members, families and community members to continue to shape the direction of our school while supporting the learning and growth of all our students. As always, an effective home – school partnership is key for student success.

At Carleton Village JS Sports and Wellness Academy, we are committed to establishing and maintaining an environment that fosters mutual respect and that builds self-discipline in order to ensure that all children can learn and reach their fullest potential. Thanks to our caretaking team, Brian, Maria and Jonathan for all

of their hard work over the summer to make our school halls, classroom and grounds look terrific for our September start!

CLASS SIZE

Ms. Eccleston, and the office team extend their appreciation to all students and families while we were ensuring every child had a classroom placement. It would appear at this time that we are over-enrolled in some of our classrooms. This is a wonderful situation to embrace! We will be monitoring these classes closely with our Superintendent and Elementary Staffing, and greatly appreciate your patience during this time. We will be notified by the Board as to whether or not our school will be re-aligning classes.

SCHOOL COMMUNICATION

This school year, we are migrating to electronic communication. This means that we will NOT be selling agendas! Most of our teachers will keep parents/guardians and their students informed of curriculum, projects, homework, trips and events through classroom APPs and Websites. School newsletters will be posted on our Carleton Village website and sent to family emails. This will be a great movement forward for our ECO certification, save more

trees and help to reduce school photocopying costs. More information on this will come very soon.

*Please note that students will be bringing home the 2018-2019 CV Parent Handbook containing several forms as soon as it arrives from printing.

Important Dates Coming Up!

Sept. 18 & 19

In-class, Wiz Kid Coding Workshops

*Sept. 20

Meet your child's teacher and curriculum night

Sept. 25

Picture Day! (Individual and class photos will be taken)

Sept. 27

Terry Fox Run

Sept. 28

Orange T-Shirt Day
New Parent Breakfast
(for parents who are brand new to Carleton Village this year)

ORANGE DAY – EVERY CHILD MATTERS

On Friday September 28, students and staff across the TDSB will wear Orange Shirts to recognize the harm that the Residential School System did to First Nations, Métis and Inuit children and to recognize that every child matters.

"Orange Shirt Day" is a movement that officially began in 2013 but in reality it began in

CARLETON News

1973 when six year old Phyllis Webstad entered the St. Joseph Mission Residential School, outside of Williams Lake, BC. The date, September 30, was chosen because that was the time of the year the trucks and buses would enter the communities to "collect" the children and deliver them to their harsh new reality of cultural assimilation.

MEDICAL ALERTS!

Parents whose children are anaphylactic and have epi-pens or asthmatic with inhalers...

PLEASE provide a fanny pouch for your child to keep their life-saving medication on their person. If you have questions regarding this, please call Ms. Eccleston. Thank you!

SNACK PROGRAM

Students are excited that the CV Snack Program called 'Carleton Crunch' is beginning on Monday October 1st! Every child in the school will receive a morning snack. For children with food sensitivities, please be sure that you have returned the necessary

medical information. Also kindly send your snack program donation (\$20/term) to your child's teacher. The Snack Program registration form is located in the CV Parent Handbook (coming soon). Thank you for your support!

PARENTS/ VISITORS COMING TO THE SCHOOL

Please understand that safety of all students and staff is priority at all schools. TDSB has a clear policy on visitors entering the school.

Once school is in session (8:45 a.m. – 4:00 p.m.) **ALL VISITORS** (this includes parents, guardians, community members, volunteers, non CV students, etc.) must report to the office upon arriving at the school. Parents are not permitted to bypass the office and wander down the hallways nor go to the other floors without making their presence known at the office first.

This policy will be strictly enforced.

This policy is in place to protect ALL children and ALL adults.

Thank you for your cooperation.

We are also kindly asking that when students are brought to school in the morning that they go to the back school yard from outside instead of cutting through the front doors of the school.

There are two ways to access the back of the school:

1. From the sidewalk on Connolly (there is an entry way to the field off of the sidewalk) or,
2. The North side of the school around the Daycare play yard, next to the fence)

Access to the school from the front doors is for visitors who need to report to the office and daycare families dropping off their young babies and children. Thank you for your co-operation.
