Parents/Guardians of Children in Grade Six

*You have a choice to make about French programming for your child.
Your child can begin an Extended French program starting in
Grade 7.*

What is Extended French?

Grade 7 Extended French programs are intensive French programs developed for students who do not speak French at home. They are designed to provide more experience in the French language than offered in the Core French program but less than total Immersion. The Extended French program includes French and additional subjects taught in the French language.

Students enrolling in the Extended French program are expected to **have successfully completed the Grade 6 Core French program.**

After Grade 8, students continue the Extended French program at designated secondary schools. Students who successfully complete the secondary program will receive a Certificate of Bilingual Studies in Extended French.

To find the Extended French school for your area, please visit the following website and enter the name of your English school in the designated search window:
