Dear Staff, Students and Parents/Guardians of Duke of Connaught Public School,

I would like to share some administrative changes at Duke of Connaught Public School for the upcoming school year. Vice-Principal John Kyriazis has decided to return to teaching. We would like to thank Mr. Kyriazis for his commitment to Duke of Connaught and extend our very best to him as he leaves our school community. He will be greatly missed by staff, students and parents at Duke of Connaught.

On Wednesday, June 17, the Toronto District School Board approved a series of Principal and Vice-Principal transfers and promotions within the system. At this meeting, the Board approved the transfer of Kelli Helpert to the position of Vice-Principal at Duke of Connaught Public School. This appointment is effective September 1, 2015.

Ms. Helpert brings a wealth of experience and knowledge to Duke of Connaught PS, having been the Vice-Principal at Earl Grey Senior Public School, and most recently with the Section 23 Program of our Special Education Department. She has demonstrated curriculum leadership in many areas and is committed to fostering a learning environment that engages and enhances academic and personal achievement for all students. She has coordinated many projects and initiatives and has taken a lead role in the area of Special Education. Her skills and experience will be an asset at Duke of Connaught PS.

Please join us in welcoming Kelli Helpert to Duke of Connaught Public School.
