

## **FRENCH IMMERSION AT EARL BEATTY PS 2014-2015**

Once again it is time to think seriously about registering your child to the TDSB French Immersion program. Entry to the program starts in Senior Kindergarten. We would like to invite parents of our Junior Kindergarten students to come to the French Immersion parent information night on January 8<sup>th</sup> at 7 pm at the gym. Parents will be informed of the registration process and will be able to ask questions they may have. A representative from the French department will be here to do a presentation and answer questions regarding all aspects of the program.

Online registration starts on January 6<sup>th</sup> and ends on January 30<sup>th</sup>.
