Blue and White Day, Tuesday, October 20th

Congratulations to the **Toronto Blue Jays** on their comeback series win against the Texas Rangers. Next up - Kansas City! We have the opportunity to have members from another fantastic Toronto team, the **Toronto Marlies**, coming to visit us on Tuesday, October 20. For this occasion, students are able to wear their favourite Toronto/personal team jersey or the colours blue and white, to support our city's many successful teams and show Earl Beatty's super spirit!

Family Math Challenge ...

We thought it might be fun for families to enjoy the challenge of a Family Math Activity. We have attached an activity to the weekly update. Any families who complete it and return your family answer to the main office by Wednesday, October 21 will be entered in a draw for a small prize! Of course, the challenge is optional!

Extra-Curricular Activities...

Congratulations to the many members of the Earl Beatty Cross Country team. You were awesome! We have five members who have qualified for the Conference event at Ashbridges Bay. Mr. Shipton will be accompanying them to this meet on Friday, October 16. Run hard and have fun, team!

Our slo-pitch team qualified for the finals. The team, under the leadership of Ms. Swire and Ms. Reynolds, will be competing after school today. Well done, team!

Farewell...

Ms. Cori MacFarlane's final day of working at Earl Beatty will be Friday, October 16. Ms. MacFarlane was promoted to the position of Office Administrator at the Island Public School. Congratulations, Ms. MacFarlane! We will miss you here at Earl Beatty.

Volunteers Needed!

Our Library needs some Volunteers to help with the shelving of our books. We are looking for volunteers that will be able to:

- Sort books/materials and put in order on shelving carts in preparation for shelving
- Shelf items on shelving carts and put in the appropriate section, eg: Non-fiction, Fiction, Short Stories etc.
- Straighten the shelves while shelving, i.e. pull books to the front of shelves and ensure each row has a bookend
