

Weekly Update...Thursday, October 29, 2015

Everyone is welcome! Please join us for our Halloween Parade that will begin at approximately 2:45 outside in the school yard (weather permitting)!

Early French Immersion Information Meeting

Thursday, November 5 at 7:00 p.m.

There will be an information session on the Early French Immersion program that starts when a child enters Senior Kindergarten. This meeting is for parents/guardians of children who are currently in Junior Kindergarten. Central staff will be here to make a presentation and answer questions. The application process opens on November 2 and closes on December 2. It is an on-line process and it is important to note that it is not based on a first come first served basis.

Mrs. Tirkos...Good Bye For Now

Friday, October 30 will be Mrs. Tirkos's last day at Earl Beatty for a number of months as she is going off on maternity leave. Congratulations Mrs. Tirkos! We will miss you!

Congratulations to the Meredith Clarke-Ward and her family for winning the Math Challenge draw for this week.

Here is the Math Challenge question for this week! Entries must be in by 4:00 p.m. on Wednesday, November 4.

Task 1:

Nikki has one red, two blue, and two yellow bears. She builds a tower by stacking the bears one on top of another. She must follow these rules:

1. No teddy bears of the same colour are next to each other.
2. The top teddy bear is not yellow.
3. The teddy bear in the centre is not red.
4. One yellow teddy bear is immediately below a red one.
5. The bottom teddy bear is not yellow.

What does the tower look like?

Have a great week and a safe and happy Hallowe'en!

Bonnie Brown-Fisher
Acting Principal

David Budd
Vice-Principal
