## From the principal

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." - John F. Kennedy

We had the most **amazing** holiday performances on Wednesday and Thursday night. The support by families was overwhelming. Space continues to present challenges at Elkhorn as we experienced standing room only for the performances. A huge thank you to all those people involved in making the concerts a great success. Ms. Dawe, your hard work in preparing the students for their performances is truly appreciated. The students continue to be excited about their accomplishments.

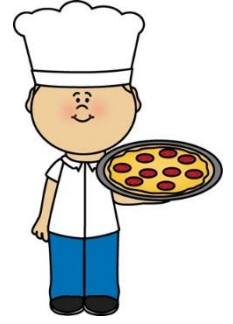

We look forward to next week and the Kindergarten concert on Tuesday morning.

As we head into the break, I want to express my sincere wishes for our families to have a wonderful holiday and Happy New Year!
