From the principal

"If there be any truer measure of a man then by what he does, it must be by what he gives." (Robert South)

The school year continues to fly by at a rapid pace. It is hard to believe that we are already in the month of December. Please take the time to mark your calendars with all the special dates that are coming this month.

Yesterday, our school donations were picked up and a huge thank goes out to all those who helped by organizing, donating and sorting. We were told that a donation as large as we had would only last for two weeks. It shows a great need that we have in our city.

An enormous THANK YOU goes out to the School Advisory Council (SAC) for supplying our new students with their first Elkhorn t-shirt. The students were so proud and excited wearing their new shirt.

Have a wonderful weekend.

LOST & FOUND

We will be setting up a table next week outside the office with all the items that have been placed in the lost and found and still remain unclaimed.

If your child is missing any items please have them check the table and please check the table if you are in the school and think that your child has misplaced something.

The items will remain on the table for **2 weeks** after which time **any unclaimed items** will be donated to a local charity.

Nine Days of Giving

We would like to take this time to thank all of the students and families in the community who contributed to the food drive.

All donations are going to the North York Harvest Food Bank and will be greatly appreciated.

Thanks to the Elkhorn School Council for all their work in organizing this great event.

Winter Break

This year's Winter Break will start on **Monday, December 26th** until **Friday, January 6th**.

School will be closed during this time and classes will resume on **Monday, January 9, 2017**.
