Kindergarten is a big step in your child's life. We make the transition a wonderful experience for your child and a reassuring decision for you. A safe and welcoming Kindergarten, coupled with balanced academic and social programs, provides the best foundation to nurture your child's abilities.

Start your children in Kindergarten at our school and watch them achieve great things.

Our school is classified as **closed for optional attendance** so **you must live in our school residential area** to ensure successful registration of your child at our school. To register your child at our school, please check that your residential address is in our school area. You can check to see if you are in our area by clicking here [FindYour Schools](#) on the tdsb.on.ca website. Our school website shows the catchment area that our school serves.

Registration for September 2017 will be starting on **Tuesday, February 7, 2017**. Please call our office to book an appointment. We will be scheduling appointments between 10:00 am - 11:30 am and from 1:30 pm - 3:00 pm.

Children who were born in 2013, turning 4 years old by the end of this year are eligible for enrolment in Junior Kindergarten for September 2017.

Children who were born in 2012, turning 5 years old by the end of this year are eligible for enrolment in Senior Kindergarten for September 2017.

For further information on the registration dates and procedures, please [click here](#).

Please let your friends and neighbours know that registration will be starting in February if they have children who will be eligible for starting school next year.

Please note:

If your child is already in Kindergarten there is no need to register them again for next year.
