From the principal

"Think and Wonder, Wonder and Think" – Dr. Suess

Welcome back to Elkhorn, and for our new families it is great to have you join our school.

Already things are moving forward as we are launching our "Adopt a School Program" on September 18th sponsored by Chapters/Indigo. More information on this fundraising initiative is listed later in the Express.

Elkhorn's School Advisory Council (SAC) will be meeting on Monday, September 19th at 6:30 pm. Details for available positions on the Council are listed in the newsletter and on the Council's website. All are welcome to attend.

On **September 29th** we will participate in Elkhorn's 18th Terry Fox Run.

Parents please be advised further to the recent letter you were given earlier this week that Elkhorn's Playscape will now be taken down and removed. I have received a notice from the Board that the metal is compromised and it will not be possible to recycle any of the materials. This demolition will be occurring as soon as possible.

As mentioned in my Welcome Letter (in the forms package), we may be realigning our classes and I am working closely with the Board on this matter. Please check Elkhorn's website frequently for updates.

I look forward to an exciting productive school year.

To report a student absence or late call 416-395-9505
 or email Kim at Kimberley.daley@tdsb.on.ca

Forms

An envelope containing many important TDSB forms that requires your attention has been sent home with your child. These forms need to be completed, signed and returned to your child's teacher by Monday, September 19.

Please try to fill out the forms and return them as quickly as possible as they contain important information for the school year.

Safe Arrival

If your child is going to be absent or late for school please call Elkhorn's **Safe Arrival** line @ **416-395-9505**, and leave your child's name, teacher and the reason for the absence or late.

You may leave messages at this number 24 hours a day, 7 days a week. (Please do not call the main school number with Safe Arrival messages)

Alternatively, you can also email Kim at Kimberley.daley@tdsb.on.ca and leave your message this way if you prefer.

Please help us to ensure that all children have arrived safely at school by using the Safe Arrival reporting procedure each time your child is absent or late.

Safe arrivals...what happens if you forget?

If you do not let the school office know about your child's absence or lateness, the system will call you for each reporting period (**morning & afternoon attendance**).

Here's how it works:

1. System will call the student's listed "Home" number
If someone picks up and follows all the prompts, no other calls will be made

If no one picks up, or all prompts are not followed, the system "cascades"

2. Cascade = system calls all numbers for both parents 3 times

3. System generates a report and notifies the school which students had successful call-outs and which students need follow up.

****NOTE**** Once the system starts the call-out process, it cannot be stopped by the school.

Health and Safety

Epi pens

If your child requires an epi pen please make sure the office and your child's teacher is informed and aware of your child's needs.

Students should carry their epi pen with them at all times and provide an extra one to be stored in the office. Please provide one to the office immediately with your child's name on it.

Epi pens kept in the school need to be replaced by parents when they reach the expiry date.

Anaphylaxis

There are students in our school who have potentially life-threatening allergies to foods. These foods are predominantly peanuts or nuts.

Please do not send peanut butter or products with peanuts or nuts to school in your child's lunch or snack.

Elkhorn is a nut free school and it is for the safety of our children that we follow this policy.

A medical form has been sent home with your child to be filled out and returned to the school in order to inform us of any allergies or health concerns that your child may have.

Please keep the school updated with any changes to your child's medical information.

Medication

School staff cannot administer medication (aspirin, cough syrup, antibiotics) unless the proper TDSB forms have been filled out by parents and in some cases a medical doctor, giving permission and listing specific instructions for the administration of the medication. These forms can be obtained from the office and will be kept on file with the medication upon completion.

Each month our school will focus on a TDSB “Building Character Building Success” theme. In the month of September the theme is RESPECT.

Throughout the month teachers will be discussing this theme in their classrooms. PA announcements will also be made daily reflecting this theme.

Teachers will be looking for student actions that demonstrate the theme of respect both inside and outside of the classroom.

School
Council

greetings from the
Elkhorn School Council

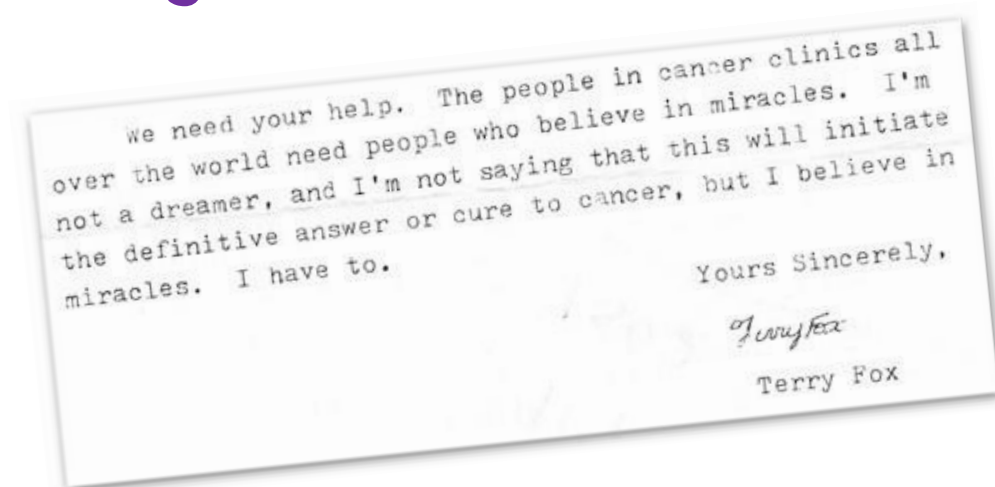

Welcome to the 2016/2017 school year at Elkhorn Public School.

The School Council needs many parent volunteers to help make this year a memorable one. We are very fortunate to be part of a vibrant school community with many events and extra activities. The success of all Elkhorn events and fundraisers relies largely upon the financial and voluntary efforts of *all* parents.

Our first GENERAL council meeting will be in the school gym at 6:30 pm on Monday, September 19th.

Please attend - this is your chance to get important updates from our Principal and the School Council on decisions that are being made to support the learning and growth of our student body.

Terry Fox Run

This will be the **18th** consecutive year that the Elkhorn community has supported The Terry Fox Foundation and the legacy of Terry Fox. To date the community and students have raised **\$55,060.91** dollars to support the foundation.

Last year the Elkhorn community raised **\$2469.05**.

This year's run will take place on **Thursday, September 29th**. (Rain date **Friday, September 30th**)
The Run will take place after morning announcements (approx. 9:10am).

All children from JK to Grade 5 are invited to participate.

Online fundraising

Our school is set up on the Terry Fox Foundation website to receive online donations. Donations can be made to our school by going to terryfox.org/nationalschoolrunday and searching for our school's name.

If you do not wish to make an online donation but would still like to donate you or your child can pick up a pledge sheet in the school's office anytime.

Dogs

To all Parents and Guardians:

Please do not bring your dogs onto the school property during the school day.

This includes before and after school while our students are on the property.

Even if the dogs are on a leash many of our students are frightened of and some of our students are also allergic to dogs.

Please respect the concerns we have for our students and adhere to this request.

TDSB Virtual Library

The TDSB Virtual Library has carefully selected resources, to enhance your child's learning, that can be accessed online anytime, anywhere.

A letter will be going home with your child next week which has a Virtual Library Learnmark that includes the passwords your child will need to access some Virtual Library resources from home. Please keep the Learnmark in a place where it can easily be found.

There are 3 ways students and parents/guardians can find the virtual library.

1. **TDSB** public site (<http://tdsb.on.ca>) – **Find your school-** the Virtual Library link is on the left
2. **AW** (<http://aw/tdsb.on.ca>), login using student number and network password. Click on the **My Home** tab. The Virtual Library link is on the left.
3. **Search online** for “school name” **TDSB virtual library.**

Adopt-a-school!

Once again Elkhorn will be participating in Indigo's Adopt a School program.
