

Traffic Safety Tips: Help Make this a Safe Winter Season

As winter approaches, we know that severe weather will be part of our daily lives for the next several months. While traffic safety is an important matter all year long, this is a particularly good time to review what we can do to keep students safe.

School staff periodically review street and traffic safety with students. Parents can help reinforce these safety messages with children at home. Below are some tips that might be helpful to review.

- Stop, look, and listen for traffic.
- Only cross at corners and crosswalks.
- Make eye contact with drivers.
- Wear appropriate footwear to reduce the chances of slipping.
- Never run into the street.
- Obey crossing signals.
- Walk on sidewalks.

The safety of our students is always a top priority. Let's work together to make the winter season safe so we can enjoy all it has to offer.

Play Dates

We have received several calls to the school to help facilitate play dates or changes in pick up routines. For safety reasons, we are unable to help with these plans. Please make arrangements prior to the school day and communicate changes in pick up in writing with your child's teacher in advance.

Thank you.

Dressing for the Weather

Students will spend time outdoors daily. Please ensure they have the appropriate clothing for the weather.
