

## **Act – What will our Learning Experience at Forest Valley Look Like?**

Each field trip to Forest Valley is designed to be a complete **Inquiry Learning Cycle** that can integrate with previous learning and ignite further learning back at school.

This **Inquiry Learning Cycle** is based on the inquiry processes found in the [Kindergarten Curriculum \(p. 15\)](#), [Social Studies 1-6, History and Geography 7 and 8 \(p. 22\)](#) and [Science and Technology 1-8 \(p 12-18\)](#), The Creative Process [Arts \(pp. 19-22\)](#), Achievement Criteria [Language \(pp. 17-18\)](#) and the Problem Solving Model [Mathematics \(pp. 12-13\)](#).

**Kindergarten Inquiry** (\*activities will vary depending on weather, class readiness and availability)

- 1. Get me interested- *Engagement- Formulate Questions***
  - Students are introduced to something that lives at Forest Valley and asked the Framing Questions: What do you notice? What do you wonder?
  - During maple syrup season (February 22<sup>nd</sup> – April 7<sup>th</sup>, 2016), students will have the opportunity to explore and investigate our maple syrup operation.
  
- 2. Let me explore- *Exploration- Gather and Organize***
  - Depending on student needs/teacher request, students will either have a guided exploration of Forest Valley or have an opportunity to explore our outdoor learning centres.
  
- 3. Give me a chance to apply my learning- *Investigation- Interpret and Analyse***
  - Depending on student needs/teacher request, students will either investigate their inquiries on a guided hike of Forest Valley or have an opportunity to investigate in our outdoor learning centres.
  
- 4. Let me talk about my learning- *Debrief- Evaluate and Draw Conclusions***  
**Let me plan what I want to learn next- *Communicate***
