*** CHARACTER ATTRIBUTE FOR JUNE IS PERSEVERANCE ***

"Being defeated is often a temporary condition. Giving up is what makes it permanent."

Marilyn Vos Savant

It's June!!

DID YOU KNOW?

Basketball was invented by a Canadian – Dr. James Naismith. He was born on November 6, 1861 in Ramsay township, near Almonte, Ontario. His mother and father had immigrated to Canada from Scotland. On December 21st 1891, James Naismith's class of secretaries played the first ever game of basketball. The ball was a soccer ball and the goals were two peach basket

This summer, adults can build literacy and English language skills from July 4-28. Learn about your community and the services available. We offer a wide range of classes from beginner to advanced to help you improve your conversation skills, further your education, and prepare for citizenship and language proficiency tests. Adult ESL program is free for eligible learners. For more information, visit www.ESLtoronto.ca or call 416-338-4300. @TDSB_ConEd

Arts In The Park-Free Events

Toronto has become an international summer hotspot as our city buzzes with energy and culture during those blissful summer days and nights. For a second year, Toronto will be coming alive as never before with an exciting new initiative called Arts in the Parks. Think music, theatre and dance ... think film, arts installations and performance. Everywhere throughout the city from Etobicoke to Scarborough and North York to the downtown core. All of it completely family-friendly and free! It's the biggest, most inclusive arts initiative that Toronto has ever seen. Visit www.artsintheparksTO.org for full events listings, dates and details.

Elementary summer programs increase engagement and build self-confidence in our students. This summer, from July 5 – 28, we are opening schools across the city to help build reading, writing and math skills in students from Kindergarten to Grade 8. Visit www.tdsb.on.ca/summer for a complete list of participating schools. @TDSB_ConEd
