IPS Bag2School Event

As part of Island Public School's partnership with Toronto Clean-up Day we will also be hosting our first (possibly annual?) *Bag2School* Event from April 9 to 12, 2018. We are asking families to collect unwanted clothing, outerwear, soft bags, linens, towels, etc. to support this awesome initiative that will help the environment and help Eco-Schools Club with a little fundraising to create a garden honouring the *Three Sisters Planting* tradition of the First Nations people. Our goal is to invite every student to bring 2 shopping bags full of unwanted items. This event will help to bring awareness of the environmental impact of our used/unused textiles. Please feel free to contact the school for any questions.

The IPS Eco Team

Bag2School is working with your organization to increase awareness of the importance of textile recycling and help achieve your fundraising goals by diverting your unwanted clothing from landfill. All items are reused where possible with only a small portion recycled (those items beyond their useful life). NO items are dumped in landfill. Your school/organization has arranged a collection so the more you bring in the more you will benefit the environment and the bigger your fundraising payout will be!

What we accept

All mens' woman's and children's clothing			
footwear	mittens	towels	backpacks
outerwear	scarves	purses	soft bags
hats	belts	handbags	linens

**Please do not include heavily soiled, wet clothing or hard goods*

It's simple!

Put unwanted clothing in bag or box	Bring them to school	Donations are collected and weighed	School receives payment for fundraising goal!

Comments or questions please contact us direct!

bag2school
 the original fundraising solution

80% of UNWANTED CLOTHING is DUMPED IN LANDFILLS

ONE YEAR OF TEXTILE WASTE WOULD FILL 35 THOUSAND OLYMPIC SWIMMING POOLS

CLOTHING IN LANDFILLS RELEASE GREENHOUSE GAS AS THEY DECOMPOSE

MAKING ONE PAIR OF JEANS EMITS THE SAME AMOUNT OF CO2 AS DRIVING A CAR 72 MILES

HEY GUESS WHAT? **ALMOST 100% OF TEXTILE WASTE IS RECYCLABLE**

Please return bags to school April 9th-12th by 9am
