## Bellapalooza Success

The 2015 Bellapalooza held on Saturday, May 30th was a tremendous success in spite of the rain that started to fall before the closing time. An unprecedented large number of families, friends and community members attended the fun fair and all had a great time.

In this special edition we would like to recognize and acknowledge the contribution of the many parties that have helped transform, within a span of five years, the school's largest fundraiser into a popular, vibrant annual Lakeshore community event.

We value the support for our students and for building a healthy community.

## Special Thanks

The Parent Council and the Organizing Committee started their behind-the-scene planning months ahead of May 30th date. Many parent volunteers by now are veterans in the science of organizing. They outdo themselves each year!

Students from the Lakeshore Collegiate CyberArts Program designed the attractive poster.

JSB families, friends, supporters and staff donated items, time and service in setting up the bake sale, the garage sale, the raffle basket draw, the silent auction, the 50/50 draw, and the many games and activity stations.

The Gr.8 class did a thorough job washing cars and had the fun of their lifetime in the post-car wash water fight!
