

SKI DAY AT KKSA!

STUDENT'S NAME

STUDENT'S CLASS

Once again, we will be hosting our annual KKSA Ski Day at Snow Valley on Friday March 3, 2017. Students will participate in a full day of fun on the hills or take some time to snowshoe, tube, enjoy the outdoors, expand relationships with their friends and simply have FUN!

We encourage participation for all students. For those children that do not attend, the school will be open for programming. Please realize that there are several forms that are required for this event. Some of the documentation is needed by Snow Valley specifically. Please note, mandatory CSA approved helmets must be worn by all students and staff, as well as the following information:

"The excursion to Snow Valley Resort will involve medium to high risk activity. Although every precaution will be taken, there is a possible risk of injury such as but not limited to sprains, strains, concussions, fractures, abrasions and bruises. The Toronto District School Board encourages all parents/guardians to purchase Student Accident Insurance, especially when their child is participating in high-risk physical activities. Annual premiums start at \$8 per student for the limited policy, and \$32 per student for the best value policy, which provides additional benefits and 24/7 accident insurance coverage. For more information, or to purchase the insurance, please visit: www.insuremykids.com or call 1(800)463-5437."

The buses will be leaving KKSA at 7:30 AM and arriving back at approximately 3:30 PM.

The cost of this trip will be approximately \$50 – \$70 per student depending on the chosen activity & rentals. This will be determined based on the number of participants. No child wanting to participate will be excluded. Please speak to Ms. Oketch directly if cost is a factor.

There are 4 activities offered for the day: (Please select one)

- Skiing: Rentals will be included in the cost if required.
- Snowboarding: Rentals are not available. Only those with their own equipment will be snowboarding.
- ½ Day Tubing & ½ Day Snowshoeing and Geocaching: Students will spend ½ day on the tubing runs and the other half snowshoeing on a number of trails with activities lead by Snow Valley guides.
- Tubing: Students will spend a full day tubing on the Snow Valley runs.

I am interested in volunteering for this excursion: _____
