Principal's message:

February has been another busy month at Kimberley and Beaches Alternative School!

We take this opportunity to introduce our new Head Caretaker, Steve Price. Mr. Price's years of experience with TDSB and positive demeanour will be assets as he becomes familiar with our school.

Our **DANCE-A-THON** on February 14th was great fun! Our students and staff showed their moves on the dance floor and raised funds to support school programs and activities such as Scientist in the School and Prologue presentations.

February is also the start of Term 2. This year we are continuing to work with our school math coach as we look at best practices and

ways to build students' confidence in Math. We recognize that a strong partnership between home and school is a key factor in promoting student success. We invite parents to visit:

<http://www.edu.gov.on.ca/eng/literacynumeracy/parentGuideNumEn.pdf>

where you can find many practical and fun ideas on how to practice Math at home.

Just a reminder that March Break is from the 12th to the 16th inclusive.

Wishing you all an enjoyable break!

Lost and Found

Parents are reminded to please ensure that your child's name and room number are clearly marked on all clothing and lunch items so that they can be promptly returned to your child on the chance that they should go astray.

Thanks!

Defibrillator

As many of you already noticed, we now have a defibrillator in our school foyer, near the main entrance. Also known as AED, a defibrillator is a user-friendly machine that is proven to save lives. It is easy to use and will talk

you through all of the steps to help save a life, and it can be used by anyone if needed. For more information please watch the brief video at the link below.
