## The following information is for YOU!

- In early October, access to the online college application becomes available for programs beginning in the following academic year (August to July). In order to apply to college, go to [www.ontariocolleges.ca](http://www.ontariocolleges.ca), create your account and begin!
- **February 1, 2017 - EQUAL CONSIDERATION DATE** for you to submit the **ONLINE APPLICATION** and all applicable FEES to OCAS (\$95 for 5 program choices).  
**MGCI recommends that you have your application submitted by December 23, 2016.** Payment can be made using a credit card online (this form of payment is best because your application is processed immediately). However, you can also use online or telephone banking at selected banks or you can mail in a payment by certified cheque or money order. **OCAS will not process your application until payment is received!!**
- **February 1, 2017** - Earliest release of offers by colleges to applicants. Offers will continue to be issued until programs are filled or wait-lists are established. Students who do not have the entrance requirements may be notified at any time during the application process that they do not qualify for admission.
- **May 1, 2017** - By this date, applicants must confirm their acceptance of an offer of admission to their chosen program. Offers made after this date will have due dates for acceptance decided by the individual colleges. Check your offer communication for details.
- **June 15, 2017** - the earliest date that colleges may require payment of tuition fees.

☺ **GOOD LUCK WITH YOUR APPLICATION!** ☺
