

Don't Lose It - Label It!

Discover Lovable Labels and join the 1000's of parents who have found a way for their kids "stuff" to make it home again!

Lovable Labels has a fun and unique way to identify all your children's belongings with personalized sticker labels, specially designed shoe labels, clothing labels, and bag tags. Each label is personalized with a name (initials or anything you choose) and you can select a cute icon that helps even pre-readers identify their own belongings.

All labels are Canadian made and designed for durability!

Perfect for school, daycare, camp and travel.

20% of every sale will go to support
