East Metro Youth Services is an accredited children's mental health agency providing a range of services to the community. If you have a son or daughter with an Autism Spectrum Disorder, with or without a developmental disability, we may have a program for you.

Afterschool Programs—are available to youth on the Autism Spectrum, between the ages of 12—18. Operating from Monday to Friday; with activities that include cooking, community outings, opportunities to make friends, increasing your verbal communication and build your self-esteem. The program operates under the principles of Applied Behaviour Analysis (ABA). Fees are based on days of attendance and placement into groups is based on level of functioning, interest and verbal capacity.

School Break Respite—when the schools are closed we are open. We offer summer day camps, March Break camp and Day respite during December and January. Saturdays are available throughout the year—Time for Taking—is a fee for service Saturday day respite program. Each program is unique to its clientele; all programs are staffed by Child and Youth Workers with experience and an interest to work with this specialized population.

Adult Day Program- AAIMS -operates Monday to Friday. Young adults are provided opportunities to volunteer, increase their literacy skills, learn meal preparation and maintain a healthy life style—working toward independence. Cost is \$50.00 a day.
