

GRADE 10 COURSE SELECTION INFORMATION

THE **DEADLINE** FOR YOUR ONLINE COURSE SELECTION IS: **FEBRUARY 28th, 2018**

Guidance will be visiting my CIVICS/CAREERS class on _____
(Get this date from your new teacher)

Your package includes:

An RCI Course Selection Sheet, A TDSB Secondary School Information Guide, and a www.myBlueprint.ca 'Getting Started Guide for Parents and Students'.

Many other resources can be found in the 'Student Resources' section of your www.myBlueprint.ca account.

MAKE SURE YOU FOLLOW THESE STEPS:

- ENCOURAGE** your parents/guardians to be involved in the course selection process. Resources may be found in the 'Student Resources/My Files' section of your www.myBlueprint.ca account – they can create their own www.myBlueprint.ca account to stay informed about post-secondary possibilities.
- ACCESS** your www.myBlueprint.ca account early – take your time and create different plans for the next year. When you enter your course choices in www.myBlueprint.ca, make sure they are accurate. Many courses may fill up and you may not be able to change into them at a later date.
- FINALIZE** your course choices on www.myBlueprint.ca following your Guidance visit and press the submit button. The deadline to submit your choices is **February 28th**, but why wait?
- PRINT** your www.myBlueprint.ca SIGN OFF FORM – have it signed by your parent/guardians and return it to your HOMEFORM teacher **ASAP**. This is a very important step to ensure that you receive the courses that you want.

IMPORTANT POINTS ABOUT COURSE SELECTION – FOR GRADE 10s:

- **Compulsory courses:** 1 Gr. 11 Math, 1 Gr. 11 English, and **review the Group 1, 2, and 3** additional compulsory credits.
- **Elective Courses:** When choosing courses, consider possible **Destination Pathways**, but also look for new courses of interest and exploration. Use www.myBlueprint.ca to help plan backwards from an interesting occupation or educational destination. Talk to your teachers about the courses that will be offered by their departments next year.
- **Math Recommendations:** Students should speak to their Math teachers regarding their math choices for next year. See below for specific math recommendations for Grade 10s. It is recommended that you review the Math Flow Chart & RCI Recommendations handout in the **Student Resources** section of your www.myblueprint.ca account.
- **Co-operative Education (2 Credit and 4 Credit COOP):** Please see Ms. Muhammad-Gold in the Guidance office for more information about Riverdale's COOP program. A copy of the COOP Application and information flyer is available in the **Student Resources** section of your www.myblueprint.ca account. Please note that applications for COOP are due by **February 28th** in the Guidance office.
- **Community Involvement:** Students are required to complete a minimum of 40 hours of mandatory Community Involvement prior to graduation. For volunteer opportunities visit: www.getyourhours.org and www.volunteertoronto.ca.

**** Summer or eSummer School?** You may only choose courses for which you will have the prerequisites by June 2018. Registration will occur online through www.creditprograms.ca **

Math Courses and Potential Pathways Recommendations in Secondary Mathematics

MOVING FROM MFM2P (Applied) TO MCF3M (Mixed)

In order to be successful, the Riverdale Math Department recommends that a student should have a minimum mark of 80% in Grade 10 Applied Math.

MCR3U1: Functions

Functions is a course designed for students with a strong background and interest in mathematics. It is the main preparatory course for students planning to major at University in Mathematics, Computers and/or the Pure Sciences and some Business Courses. It is not for all students. A minimum mark of 70% in Grade 10 Academic Mathematics, MPM2D, is recommended.

MCF3M1: Functions and Applications

Functions and Applications is designed as the course for students going to University or College who will need to take grade 12 Data Management (MDM4U1) or grade 12 Foundations for College Math (MAP4C1). A minimum mark of 55% in Grade 10 Academic Mathematics (MPM2D) is recommended or 80% in Applied Mathematics (MFM2P).

MBF3C1: Foundations for College Math

This is the next step for most students who have completed MFM2P1 (Applied). It covers topics required for **MAP4C1** and helps students prepare for College diploma programs as well as satisfying the final compulsory math requirement for graduation.

keep in touch, stay informed.

RIVERDALE COLLEGIATE INSTITUTE

COURSE SELECTION 2018-2019

Important Notes about Course Selection:

- 1) The courses below are being offered for the upcoming school year. Courses will run based on student enrollment.
- 2) There will be Option Selection grade level assemblies in January and every student will be visited for an in-class workshop by a counsellor.
- 3) Courses may **ONLY** be chosen through **www.myBlueprint.ca** during the enrollment window of **February 1 - February 28, 2018**.
- 4) Students and parent/guardians are encouraged to use **www.myBlueprint.ca** to access course information and to begin planning their selections, but should *not submit* their course requests until a counsellor has visited their classroom.
- 5) To complete the course selection process, students must bring the signed Parent/Guardian permission form to their homeform teacher.

CHOOSE YOUR COURSE THROUGH WWW.MYBLUEPRINT.CA

ONLINE COURSE SELECTION DEADLINE IS FEBRUARY 28.

For Parents

CREATE YOUR PARENT ACCOUNT

1. Visit www.myBlueprint.ca/
2. Click **Sign Up** in the top right corner
3. Enter your child's school **Activation Key** and click **Create Account**
4. Click **Not a Student? Teachers, Counsellors, and Parents sign up here**
5. Select **Parent/Guardian/Advisor**
6. Fill out the sign up form
7. Click **Create My Account**

LINK WITH YOUR CHILD (Optional)

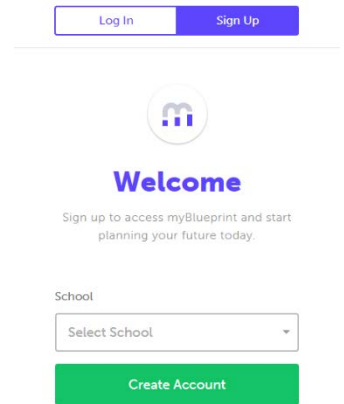

You can link with your child to view their myBlueprint account by following these steps:

1. From the account sign up page, click on **Link to a Student**
2. Enter your child's **email address** associated to their myBlueprint account and click **Find Student**
3. Click **+ Add This Student**

Don't know your child's email address?

You can always link to them later by following these steps:

1. Log in to your account
2. Click **Add Student**
3. Enter their email address and click **Search**
4. Once matches are found, click **Send Request**

For Students:

Please Note -- A Guidance Counsellor will be visiting one of your classes in February to help you with this process.

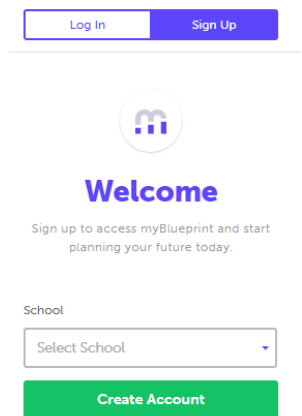

This step-by-step guide will help you complete online course selection using the myBlueprint website.

EXISTING USER?

1. Visit www.myBlueprint.ca/tdsb
2. Enter your email and password, click **Login**

NEW USER?

1. Visit www.myBlueprint.ca/tdsb
2. Select **your school** from the drop down list and click **Create Account**
3. Select your grade, click **Continue**
4. Enter your **Ontario Education Number (available on your latest report card or timetable)** and **Date of Birth**, click **Continue**
5. Fill out the sign up form

COURSE SELECTION

From your **Dashboard**, click on the **View Courses** button that appears in the **Course Selection** box at the top left. The button will say **Plan Courses** if course submission has not yet been enabled at your school.

HINT: Clicking on **View or Plan Courses** will take you to your **High School Planner** - you can also access this by simply clicking on **High School** from the left hand navigation menu.

1) ADD COURSES FOR NEXT YEAR

- In High School Planner, click + **[Course]**.
- In the **Course Selection and Details** screen, explore the available courses.
- Click **Add Course to Plan** when you find the course you want.

The **Graduation Indicator** will help you keep track of your progress. Click **View Progress** for a list of specific graduation requirements.

- 2) **REVIEW COURSES** – When you are ready to submit your course selections, click the **Review Course Selections** button and give your course selection one final look over.

If available, you can use the “Add Comments” section to explain any issues to your guidance counsellor (i.e. taking the prerequisite in night school, or summer school)

- 3) **SUBMIT COURSES** – Once you’ve carefully reviewed the **Details** page to ensure that you are meeting the requirements for the courses you have selected and that the courses that appear are correct, click on **Submit Course Selections**.

4) PRINT SIGN –OFF SHEET

NOTE: The sign-off sheet will show in another tab or window – if it doesn’t show after you’ve click the button, check the pop-up blocker settings for your web browser.

YOU’RE DONE! Print and return a signed copy of your **Course Selection Sign-Off Sheet** to your Counsellor or Teacher.
