As we complete week 8 of remote learning, we wanted to reach out with another update. Firstly, we hope that you and your family continue to be well and are taking time to take care of yourselves. If we can be of help please don't hesitate to reach out to any of us at the school.

On the theme of wellbeing, please check out the new newsletter from TDSB Psychological Services, [Hearts & Minds](#), for parents and caregivers in our communities. It contains information, tips and ideas meant to make parenting a little bit easier, for you and your children. Many other additional resources pertaining to supporting wellness can be found here: [TDSB Professional Support Services](#).

As you may know, applications to TDSB 2020 Summer School are now being accepted online. Our elementary summer school program focus is to close the achievement and well-being gap and to continue student engagement into the month of July. Programs for students in Grades 3-8 will be delivered from July 6 to 31, 2020 from 9am-12pm. To register your child and find information about the schools offering summer school programs [TDSB Summer School Applications 2020](#)
