Re: FREE English Classes for Newcomers at a TDSB LINC near your school

Dear Principal,

We are reaching out to you because we want to help your school community thrive and have a positive effect in the lives of newcomer families in the area.

If there are immigrant parents in your school that may need English language training, could you please let them know that **FREE** English classes are available at Town Centre LINC, located at 1457 McCowan Road (& Milner Avenue, North of Hwy 401), Suite 200, Scarborough, ON.

These free classes are funded by the Federal Government, and operated by the TDSB. The LINC location provides English classes for adult immigrants and convention refugees, to help them integrate into Canadian Society. There are 7 levels to meet the different English proficiency stages of the learners. Also, free Childcare is available for parents while they are in class.

Find enclosed a flyer from the LINC program at Town Centre Plaza, near your school. It would be greatly appreciated if you would post the flyer and pass the information on to parents who want more information about the program. We would be pleased to send you more copies or electronic files anytime. Just let us know.

Thank you very much for your assistance. If you have any questions, do not hesitate to contact us.

Yours truly,
