Indigenous Peoples are self-determining nations with distinct and inherent rights and laws. These inherent rights and laws govern the relationship between Indigenous Peoples and institutions will be guided by the Truth and Reconciliation Commission and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP). The School Council will work to dismantle TDSB's colonial structures, practices, and impacts of colonization by actively engaging in alliance with Indigenous Elders, students, parents/guardians/caregivers, and the community in developing a governance model that honors Indigenous knowledge, sovereignty, and self-determination as per PO23-Parent/Caregiver Engagement Policy.

It is recognized and acknowledged that many members of the TDSB community continue to experience exclusion and marginalization, including racism, anti-Indigenous racism, anti-Black racism, anti-Semitic, Islamophobic, ableism, sexism, transphobia & cissexism (discrimination and prejudice based on gender identity), homophobia, and other forms of marginalization and prejudice.

TDSB recognizes that sustained measures, both proactive and reactive, are required to eradicate discrimination and to ensure that all members of the TDSB community are included, welcomed and feel valued in all TDSB environments. (as per P031 - Human Rights Policy).

The School Council shall:

- create, maintain and contribute to a climate of understanding and mutual respect for the rights and the dignity of each person;

Purpose

Regulation 612/00 of the Ontario Education Act states that "the purpose of School Councils is, through the active participation of parents, to improve student achievement and enhance the accountability of the education system to parents." A School Council's primary means of achieving its purpose is by making recommendations on any matter to the Principal of the school and to the Board that established the School Council.

Membership

An effective School Council relies on the contributions of the broader school community. The School Council will work to elect/acclaim members who are representative of this school's community. To this end, eligible candidates will be encouraged to seek office regardless of their race, colour, creed, culture, ethnicity, linguistic origin, disability, level of ability, socio-economic class, age, ancestry, nationality, place of origin, religion, sex, gender identity, gender expression, sexual orientation, body image, citizenship, immigration status, family status, marital status or as First Nations, Metis or Inuit.

School Council composition will include 10 parents/caregivers (as defined in Ontario Regulation 612/00), the Principal, one teacher, one non-teaching staff, and one community representative.

Election of Parent/Caregiver Members

Elections will be inclusive, transparent and accountable, ensuring that all members of the school community are included, welcomed and feel valued.

Elections of parent/caregiver members shall be held during the first 30 days of the school year on a date that is set by the School Council Chair/Co-Chairs in consultation with the Principal.

The Principal, on behalf of the School Council, shall give written notice of the date, the time and the location of the election, to every parent/caregiver of a student enrolled in the school, at least 14 days before the date of the election.

Any parent/caregiver of a student in the school, who is seeking election, must be nominated or self-nominated in writing. A person is not qualified to be a parent/caregiver member if they are employed at the school. If employed by the Board but not at the school, they must take reasonable steps to inform those qualified to vote in the election of their Board employment status.

The election of a parent/caregiver member shall be by secret ballot and neither proxy nor absentee voting is permitted.

A person is eligible to vote in an election of parent/caregiver members of a School Council if they are the parent/caregiver of a student enrolled at the school.

Elections for teaching and non-teaching staff representatives on the School Council will be held during the first 30 days of each school year. The teaching representative shall be elected by those individuals at the school qualified to be the teacher representative in any method they determine. The non-teaching staff shall be elected by those individuals at the school qualified to be the non-teaching staff representative in any method they determine. Community members shall be appointed by the members of the School Council.

If positions are not filled during an election, the School Council may fill them via appointments throughout the school year. (see Vacancies)

Nominations

If the number of declared candidates is less than or equal to the number of positions, no vote is required and the candidates will be acclaimed, notified and communicated to the school/community. If the number of declared candidates is higher than the number of positions, then a vote will be held on the date set by the Chair/Co-Chairs, in consultation with the Principal. Elections for the School Council shall be supervised by the Principal (or designate) and at least one parent/caregiver, not seeking election.

Nominations will not be accepted from the floor on the evening of the elections.

The school (Principal or designate) will receive and file all nomination forms.

Written information (picture not required) about each candidate, supplied by the candidate, shall be made available to the school community at least one week prior to the election.

Candidates may not engage in campaigning on or off school property or use any School Council social media or other tools to promote their candidacy.

- (a) the date that they were elected or appointed; and
- (b) the date of the first meeting of the School Council after the elections held in the school year,

until the date of the first meeting of the School Council after the elections held in the next school year.

Vacancies

A vacancy in the membership of the School Council shall be filled by election or appointment. A vacancy in the membership of the School Council does not prevent the School Council from exercising its authority,

- if an election is held to fill a vacancy in the membership of a School Council, the School Council's elections' process will apply;
- if an appointment is held to fill a vacancy, the School Council may request that interested parents/caregivers submit their name for consideration. The School Council shall then vote to appoint candidates to fill the vacancy/vacancies.

The School Council is required to:

- consult with the Principal;
- include a list of planned fundraising activities and expenditures for the year;
- create an annual financial plan using the TDSB's forms, School Generated Funds Financial Plan (SGFFP) and School Needs Assessment Form;
- submit as a separate School Council report or as part of the school's SGFFP, each October. The plan may be adjusted throughout the year and must be resubmitted.

Fundraising activities may include but are not limited to, funfair events, product sales, requests for donations from parents/caregivers, grant applications, donations (in-kind or monetary) and sponsorships. Fundraising proceeds must not be used for expenses required for completion of the curriculum nor for capital infrastructure improvements funded through renewal grants from the Ministry of Education.

School Council must use the Board-approved vendors when available to ensure compliance with health and safety. Where approved vendors are not available, School Councils shall work with the Principal to find an appropriate substitute. The School Council can access the up-to-date list of approved fundraising and fun fair vendors at:

All School Council disbursements must comply with the Boards' P017 - Purchasing Policy and must be approved by the school Principal and the School Council in advance of incurring the expense.

Committees of School Council

Recognizing that committees/sub-committees are an effective and inclusive means of investigating and implementing School Council objectives, the School Council will establish committees/sub-committees to make recommendations to the full School Council as needed.

The School Council may establish committees/sub-committees to make recommendations to the School Council. All committees/sub-committees must include at least one (1) elected/appointed parent/caregiver member of the School Council. These committees/sub-committees may include persons who are not members of the School Council.

All committees/sub-committees will meet as required throughout the year to carry out the School Council's activities. They will make recommendations to the School Council for approval and will report to the School Council on its activities. School Councils may determine if committee/sub-committee meetings may be open by invitation and accessible to the public. Committee/sub-committee Chairs/Co-Chair(s) will consider the comfort levels of parents/caregivers when choosing meeting locations.

Conflict of Interest

Each School Council member shall avoid situations that could result in an inconsistency between the overall goals and the vision of the School Council and personal or vested interest that may arise in connection with their duties as a School Council member. Should an issue or an agenda item arise during a School Council meeting where a School Council member is in a conflict of interest situation, they shall declare a conflict of interest immediately and decline from the discussion and the resolution.

Conflict Resolution

School Council shall establish a Conflict Resolution process for internal School Council disputes that is in accordance with any applicable policies established by the TDSB.

General Principles

- it is in places of conflict that the potential for change exists. Conflicting ideas, beliefs and values may provide great learning and growth opportunities for everyone within an environment that nurtures respectful dialogue;
- there are many forms of oppression that are not always easy to recognize, therefore, it is imperative that we acknowledge and take responsibility for the biases, conscious and unconscious and the expectations that we hold;
- we all bear a responsibility in upholding a safer space and we are all accountable to each other. We are not here to exclude each other nor abandon each other. If we are willing to learn, we are here to help each other through the process of unlearning oppression and changing any structures which perpetuate it;
- this process is intended to work in tandem with existing TDSB policies, including the Human Rights Policy, Equity Policy and shall not supersede any policies, or procedures of the TDSB;
- School Council shall have the authority to enter conflict resolution with any member from School Council using the outlined procedure;
- in instances of discrimination or harassment, School Council members in consultation with the Principal or Superintendent, shall pursue resolution using PolicyP034 - Workplace Harassment, Prevention for Non-Human Rights Code Harassment rather than the internal conflict resolution process with these By-Laws.

Conflict Resolution Process

Conflicts and disputes that occur within the School Council will be facilitated by the following:

- conflict between the Chair/Co-Chair(s) and School Council, will be facilitated by an Executive Officer (Secretary/Treasurer) of the School Council;
- conflict between the Principal and the School Council, will be facilitated by the Superintendent in collaboration with the Chair/Co-Chair(s);
- conflict between the Chair/Co-Chairs(s) and the Principal, will be facilitated by the Superintendent;
- conflict among the Executives (Chair/Co-Chairs(s), Secretary, Treasurer, etc.) will be facilitated by the Principal in consultation with the Superintendent;
- if the conflict occurs at a School Council meeting (attendee becomes disruptive during a meeting), the

Chair/Co-Chairs(s), after three attempts of unsuccessfully asking for order, shall seek School Council approval for removal of the conflicted parties from the meeting, citing reasons for the request. This does not prevent the conflicted School Council member(s)/attendees from participating in future meetings of the School Council. The incident shall be recorded and submitted to the Superintendent within one week of the meeting, by the Principal. The School Council Chair/Co-Chair(s), in collaboration with the Principal, shall request that the disputing member(s) participate in a private meeting, the purpose of which will be to arrive at a mutually acceptable resolution to the dispute. Such a meeting will be a private meeting and shall not be construed as a meeting of the School Council. The meeting will result in clear steps to be taken by each party to resolve the conflict. The Chairs/Co-Chair(s) will provide an update of the resolution at the next formal meeting of the School Council;

- if a resolution was not possible, the Chair/Co-Chairs(s) may call for a special meeting of the School Council to review the conflict/dispute and to explore options that may include suspension of the member/attendee.

Conflicts and disputes that occur within the School Council will be addressed using the following steps:

- the parties to a dispute must attempt to resolve the dispute between themselves within 5 days after the dispute has come to the attention of each party;
- if the parties to the dispute are unable to resolve the dispute between themselves within the time required, any party to the dispute may start the conflict/dispute process by giving written notice to the relevant facilitator of the conflict outlining the parties to the dispute and the matters that are the subject of the dispute;
- within 10 days after the facilitators have been given the notice, a meeting must be convened by the appropriate facilitator to consider and to determine the dispute;
- the facilitator must give each party to the dispute, written notice of the meeting at least 3 days before the meeting is held.

The notice given to each party to the dispute must state:

- when and where the committee meeting is to be held; and
- that the party may attend the meeting and will be given a reasonable opportunity to make written and/or oral submission to the committee about the dispute.

At the meeting at which a dispute is to be considered and determined, the facilitator must:

- give each party to the dispute a reasonable opportunity to make written and/or oral submission to the committee about the dispute;
- give due consideration to any submissions;
- determine the dispute;
- give each party to the dispute written notice of the committee's determination and the reasons for the determination, within 7 days after the committee meeting at which the determination is made;
- a party to the dispute may, within 5 days after receiving notice of the committee's determination, give written notice to the facilitator accepting the recommended resolution or requesting the appointment of a mediator;
- if a mediator is requested by one or more of the disputants, or the facilitator deems a mediator is required, the facilitator will secure a mediator and each party to the dispute is a party to the mediation;
- appropriate facilitator will secure a mediator who may be a Board official or independent party identified by the Board and be mutually agreed on by the parties involved in the dispute;
- if a mediator is not supported by one of the disputants, another mediator will be secured;
- if a disputant fails to participate in the mediation called by the facilitator, the disputant will adhere to all recommendations of the mediator.

The mediation process must entail the following:

- the parties to the mediation must attempt, in good faith, to settle the matter that is the subject of the mediation;
- each party to the mediation must give the mediator a written statement of the issues that need to be considered at the mediation at least 3 days before the mediation takes place;
- in conducting the mediation, the mediator must:
 - give each party to the mediation every opportunity to be heard; and
 - allow each party to the mediation to give due consideration to any written statement given by another party; and ensure that natural justice is given to the parties to the mediation throughout the mediation process.
- the mediator cannot determine the matter that is the subject of the mediation;
- the mediation must be confidential and any information given at the mediation can be used in other proceedings that take place in relation to the matter that is the subject of the mediation;
- the costs of the mediation are to be paid by the party or parties who appointed the mediator;
- the recommendation of the mediator is final and cannot be appealed.
