“BULLYING AWARENESS AND PREVENTION WEEK”
16-22 NOVEMBER

Ontario has designated the week beginning on the third Sunday of November as Bullying Awareness and Prevention Week to help promote safe schools and a positive learning environment. At our school, we use this week to highlight initiatives that promote a positive school climate and celebrate the outstanding partnerships and programs that promote harmony and respect in our schools.

A caring, safe, inclusive and accepting school climate is essential for student achievement and well-being. For students to reach their full potential, students must feel safe, included and engaged in schools. All of us have a part to play in making and keeping schools safe.

**“BULLYING AWARENESS
AND PREVENTION WEEK”**

16-22 NOVEMBER

...continued from Principal's Message

By working together, we can provide learning environments that are caring, safe, accepting, respectful and inclusive, where students can acquire the knowledge, skills and values they need to become responsible members of their communities.

At Whitney, we have many programs and activities in place, including our peer mentoring program, SPA recognition days, increased Daily Physical Activity, Buddy Benches and the “**Mind Up**” Curriculum implementation, just to name a few, which continue to support a safe and caring environment for all our students and staff.

Whitney School Council General Meeting

Tuesday, November 18 2014
7:00-8:00 pm, Library

We welcome the participation and input of all parents at every WSC meeting. A minimum of 20 parents is required for any vote to pass.

As part of the 2014/15 School Council's continuing effort to expand our communication reach, we respectfully request that **all Class Parents** attend General Meetings. Class Parents serve as a vital conduit of news and information for so many Whitney parents, new and old. We are confident that the attendance of a representative from every class in the school will benefit the parent community as a whole.
