Belinda Longe, Principal    Lindsay Borden, Vice-Principal

### Leaving School Property at Lunch

Dear Parents or Guardians,

The TDSB and Winona Drive Senior Public School want to ensure the safety and supervision of your children throughout the school day.

While we don't serve lunch in our cafeteria, we have lunchroom supervisors to monitor the students while on school property. We know however, that many students choose to either go home for lunch or buy their lunch off school property.

We want you to be aware that we are not able to supervise students once they leave school property. We assume that you are accepting the risk and responsibility for your child's safety if they leave school property at lunch. We are not responsible for supervising students who leave school property.

If your child stays on school property we are able to provide supervision during the lunch period. Students can remain inside the cafeteria until 12 pm, at 12 pm students will be dismissed from the lunchroom and can play outside on school property where they will also be supervised.

Please contact the school if you have any questions.

Sincerely,

Handwritten signature of Belinda Longe in black ink.

Belinda Longe  
Principal

Handwritten signature of Lindsay Borden in black ink.

Lindsay Borden  
Vice-Principal
