Denise A. Phillips, Principal

Ruweida Bismilla, Vice-Principal

## Dear Parents/Guardians

Lunchroom facilities at Clairlea Public School are limited and therefore are provided <u>primarily</u> for those students who are bussed (generally, our French Immersion students.

We believe that it is in the best interests of children to leave the building for a break over the lunch hour. If you, as many, are unable to be home at lunch, please consider making arrangements with a neighbour, friend or family member for supervision to allow your child to get out at lunch.

Please indicate on the attached form if (a) your child will leave at lunch or (b) remain on school property.

Please discuss with your child the lunchroom expectations as outlined in the Student Agenda. **NOTE**: Please try to send a **litterless** lunch.

Thank you for your support,

Denise A. Phillips Principal R. Bismilla Vice Principal
