\*Selection of ENG1P/1D or ELSE08 is dependent on age:

- Students age 14 – 16 are to take ENG1P/1D
- Students age 17+ are recommended to take ESLE08

\*\*Summer school courses subject to availability. Please visit [www.creditprograms.ca](http://www.creditprograms.ca) during the month of May for more information.

Note: The pathways show how most English language learners may progress through their ESL courses and into mainstream English courses. Not all students will follow this sequence exactly, and individual students may vary in the rate at which they progress through the levels. Your academic pathway may also be dependent on your Mathematics and Science courses. Please see your Guidance counsellor for more information!
