

April 5, 2021

Dear Albion Heights Parents and Guardians,

Hoping everyone is staying safe and enjoying this beautiful weather on this long weekend.

April Break

A reminder that the April break will take place from Monday April 12-16. There will be no in-person or on-line learning during this week.

In School Learning

At this point there has been no direction from the Ministry of Education or the Toronto District School Board to go to virtual learning after the April break. This could change and we need to be ready to pivot.

All students should now have a device at home that they can use if we are switching to on-line learning. Students will be asked to take home their belongings on Friday April 9 (last day before the holidays).

Community Services

Please see the links below for information on pop up clinics and wrap around supports for families.
