January 14, 2021

Hello Albion Heights Parents/Guardians:

I hope everyone is doing well and staying safe.

### **Extension of On-Line Learning**

As you know, yesterday the Government of Ontario announced new measures to slow down the spread of COVID - 19. As a result, the government has said that all schools in Toronto will remain closed to students and staff until **Wednesday February 10**. During the closure period, remote learning will continue as will in-person support for students with special education needs who cannot be accommodated through remote learning.

Continue to have your child sign into their google classroom daily. If you have any questions, email your child's teacher directly.

# PA DAY - Friday January 15/21

A reminder that this Friday January 15, 2021 is a PA Day which means there is **NO** School for students on this day. Since we are all currently participating in remote learning (except for our ISP classes), this means that there will be no work posted for students on Friday, no video meetings and teachers will not be available. This also applies for the ISP classes.

# Report Cards

Teachers have started working on report cards for 1st term. Information on parent teacher interviews will be shared shortly.

### **Kindergarten Registration**

February is the month for Kindergarten Registration. If you have a child who was born in (2016 - SK) or (2017 - JK) you can register on the TDSB website. Please pass this information on to anyone you know who has a child who will be attending JK or SK in September 2021. Registration opens in February.

### COVID-19

Please continue to do the health self check with your children daily. If they have any new or worsening symptoms please get tested. Please check the TPH website or call the hotline at 416-338-7600 if you have any questions.

#### Resources

You are encouraged to review this link <u>important resources</u>. These resources may support your children during this challenging time.

We hope you and your family are able to enjoy the long weekend in a safe, fun and healthy way.

Sincerely,

Sandra Buie and Angana Naik
