

June 3, 2021

Dear Albion Heights Parents/Guardians:

Hoping everyone is staying safe and healthy!

### **Government Announcement**

Yesterday the Government announced that all school boards in Ontario including the TDSB **will not return to in-person learning for this school year**. This has been a difficult year for many students and staff who will not be able to finish the year in person as they may have hoped. Students will finish off the year on-line.

### **Busing Applications**

If your child was taking a school bus when they were at school pre COVID, then attended virtual school this year and if you are planning to send your child in person for the school year 2021-22, you need to apply for their bussing.

Here is the link to the pdf form. [Student Transportation Form ISTP \(Fillable\)v4 \(5\).pdf](#)  
Please fill it out, especially section 1 up to "Emergency contact" information and page 2 up to "Mobility section". Save it on your desktop with your child's name as the file name and email it as an attachment to [ornella.pontrelli@tdsb.on.ca](mailto:ornella.pontrelli@tdsb.on.ca) with the subject line as Transportation form.

**Please submit the form latest by June 10th.** Once we send it to the Transportation Department, they will add your child to the Albion Heights list. We are hoping to submit all the forms at the earliest so that there is no confusion in August and in the first week of school and everyone gets bussing from the first day of school.

### **Grade 8 Grad Consent Forms**

Yesterday the Government announced the possibility of "short, outdoor graduation celebrations". The Board is waiting for direction from the province and Toronto Public Health. We will continue with the Boards initial plan for a virtual graduation until we hear further.

If you are a grade 8 parent and have not filled out the online graduation consent form, please do so. You will find this information in an email that was sent to you last week.(from Permission Click on behalf of Albion Heights)

### **End of Year**

We are still waiting for direction on how students/teachers can go back to school to pick up belongings.

### **Free COVID Testing and Vaccination Information**

# FREE COVID-19 Testing

**REXDALE**  
COMMUNITY HEALTH CENTRE
