

May 12/21

Dear Albion Heights Families:

Good Afternoon:

Hoping everyone is doing well as we continue to push through this difficult time.

I am writing to share some information with you. At the end of this school year I will be retiring. It's time to turn the school over to someone else. I am looking forward to the next phase of my life.

It has been my utmost pleasure to be your child's principal. I have worked with so many students over the years. It was so exciting for me to see the students grow and exceed in all their pursuits.

I want to thank you, for all your support and caring you have given me over the years. Thank you for all the support you give to your children. They are very lucky to have parents like you.

I wish everyone the very best. I know you will all excel and continue to be successful in anything you do.

Again, thank you for everything.

Here is some important information from our Community Support Worker
