2019 03 04

Dear Cummer Valley Middle School Community:

I am writing to update you on the progress of the new Avondale Schools building. I am happy to report that the building is almost ready for occupancy. We are now planning for the Avondale students and staff to be able to move into the new school over the March 29th – 31st weekend. The first day of school at the new site will be Tuesday April 2nd, 2019.

There will be movers working at Cummer Middle School to help the Avondale teachers and students pack up for the move. They will also be at Cummer Valley after the move to pack up and move any of the remaining Avondale furniture and equipment that is not going into the new building.

I also want to take this opportunity to thank you for your patience and understanding since September as you have so kindly shared Cummer Valley Middle School with the Avondale students and staff.

Sincerely,

Linda Curtis
Superintendent of Education – LN12
