

International Certificate
TDSB Recognized
Preparing Students for Global Citizenship

In an increasingly connected world, supporting student success means bringing the world into our classrooms and opening our schools to the world. Supporting learners to build global competencies will prepare them to engage as active citizens and to build vibrant, prosperous communities. The International Certificate will recognize students who engage, communicate, study, experience and share their learning of international issues and global competencies.

(taken from: TDSB. *International Certificate: Preparing Students for Global Citizenship*. Unpublished Brief.)

Students should come to the International Studies Office (room 134) to register for the TDSB International Certificate.

Requirements:

- Take at least one course in International Languages
- Take at least four courses in History, Geography, Business or Social Science
- Involvement in either:
 - (a) Exchanges
 - (b) Clubs or Councils with an International Focus
(eg. Amnesty, DECA, SOMA etc.)
- Summarizing your experiences – connecting with other students involved in the program and creating a portfolio of your experiences
