Hawthorne II is unique. It is the only bilingual and the largest alternative elementary school within the TDSB. The current enrolment is about 200 students. Most of the students are Canadian-born whose first Language is English. Children from Junior Kindergarten to Grade 6 receive daily instruction in French which consists of twenty minutes per day in JK and gradually increases with each grade to 150 minutes in grade 6. Parents and staff are committed to teaching French and ensuring that pupils realize that French is a living language.

Hawthorne II does not have a catchment area, and therefore, any student in the TDSB can apply through Optional Attendance. The entry point into Hawthorne is usually Junior Kindergarten; however, there can be spaces that open up in the other grades when students move to other schools.
