BESSBOROUGH UPDATE

It's hard to believe that it's almost June. As we all strive to finish the year at our best, we gently remind all members of our community of the importance of following the TDSB Code of Conduct.

To foster a positive and inclusive community, we encourage everyone to be kind and respectful, and to uphold values that foster inclusion, safety, and positive spaces.

We ask our community to be open to different viewpoints, to actively avoid personal attacks, and to be willing to compromise for the greater good.

Thank you for your commitment to making our community a welcoming and respectful space and for showing your appreciation for all members of the Bessborough community.

BAC NEWSLETTER FOR MAY 23

The BAC is having Frozen Fridays every Friday at lunch and after school. We will sell in the lower hall at lunch time and in both yards after school. Kindies will be able to purchase and get their frozen goods during class time. We are selling regular jumbo freezies, Dr Pepper freezies, rocket pops, mango sorbet, core cream sandwiches, Dino and unicorn pops. We would prefer if parents sent money labeled with their order if they are giving their child the money for specific uses. All of the collected money will contribute to making the graduation trip more affordable for our grade 8 students.

Next week will be the last frozen Friday of the year.
