## HOLIDAY CONCERTS—THANKS!

It was so wonderful to see so many families at our holiday concerts this past week! The students and their teachers worked very hard to get the performances ready and I know that they were very proud after the concerts. A very big thank-you to Mr. McMillan for all of his creative energy and talent in bringing the grade 1-6 concert together and to the Kindie Team for all of their work on the Kindie Concert. A special thank-you to our Grade 8 stage crew who worked behind the scenes to bring each group to the stage and helped the shows flow so smoothly. It was so amazing to see these students demonstrate leadership by giving their time and energy to support some of our very youngest learners. Finally, thank-you to our School Council for the coffee that was provided for the kindie concert on Friday morning. What an amazing team!
