DON MILLS CYBERARTS

Don Mills Middle School CyberARTS is an interdisciplinary, project-based visual arts program for grade 6, 7 and 8 students that integrates the Ontario Curriculum Expectations with advanced study in traditional and digital art.

The program welcomes applications from all students with an interest and desire to learn through digital and/or traditional art media.

Areas of Focus

- Artistic and academic skills
- Independent work habits
- Advanced critical inquiry skills
- Presentation skills
- Advanced computer technology and media software
