Dear Blake Street Families;

Since the Ministry has announced a return to school this fall, we have been receiving a number of questions about what the return to school plan will look like at Blake Street PS. The TDSB continues to work hard to develop a comprehensive plan of return, and given the size of our board, this is no easy task. There are many details and pieces to this puzzle. We anticipate return to school protocols will be shared with us at a meeting scheduled for this Thursday. After this meeting, we will need some time to think about how we will implement these protocols to our specific site needs.

We appreciate that as parents, you have been asked to make a difficult decision about your child's return to school options. Starting tomorrow, Wednesday August 27<sup>th</sup>, you will receive an email asking you to pre-register your child for either in person or virtual learning. I understand that it is hard to make a decision without knowing more information. As shared, we have no more information than you at this time. This is why we have not sent out an earlier newsletter. However, we want you to know that we are thinking of you, and we hope to be able to share with you a plan of return that will answer many of your questions prior to the registration deadline this weekend.

We thank you for your ongoing patience and support. Please know that we are doing everything we can to allow for a smooth, safe and successful school return.

We miss you and your children very much and look forward to seeing many of you in the coming weeks.

Respectfully  
Jenn and Jackie
