It's hard to believe that Monday marks the long weekend in May, as we prepare to celebrate Victoria Day. It doesn't seem like Mother Nature knows we are well into the month of May. I hope the warmer sunnier weather comes soon, as it lightens the days and lets us get outside.

Despite working remotely from home, we continue to plan for the school year ahead. If you have moved, or are planning to move out of the Blake Street area, please let us know immediately, so we can ensure your child is successfully enrolled in their new school for September. Also, if you have a child born in 2016, ready to start junior kindergarten next year, and you didn't find the time to register prior to March 13th, please email us so we can register your child, and ensure they are placed into a classroom prior to the start of the next school year. This will support an easier transition.

Extended Day Program

For families with children currently in EDP, their spots will naturally be extended. However, for families with new students registering, who need before and after care, registration is now open. This is a new registration process and no student number is required. You can access the registration link at www.tdsb.on.ca/EDP

Virtual School Council Meeting: Wednesday, June 17, 2020

Save the date! The final Blake School Council Meeting will take place via Zoom on Wednesday, June 17th at 6:00 p.m.

Stay tuned for more details.

Kempton Howard Park Revitalization

A note from Councillor Paula Fletcher about the revitalization of Kempton Howard Park. It will be going ahead this summer. As long as the weather is good, construction will start in early June and continue through the summer. The project is expected to be finished in the fall of 2020. An image of the plans is pictured below.

Please know that we are here to help however we can. If there is anything we can do to support you and your families, we are just an email away. You are now also able to leave a voice mail message on the Blake PS phone at 416-393-9415 and Ms. Scott will receive it automatically.

Should you have any questions or concerns with the content of this newsletter, or any other school related issues, please email me directly at jennifer.zurba@tdsb.on.ca

Be well and have a great weekend.
