

# Let's Celebrate Winter!

## December 12, 2019

We would appreciate it if you could join us for all of our performances. Our students have worked so hard and deserve to be recognized.

If you need to step out, we ask that you exit and then return quietly through the back door of the gym, as performers will be using the front doors to enter and exit, keeping the front doors clear to ensure a smooth show for everyone.

After the concert, please meet your child in their classroom to pick them up so that we can ensure their safety. Enjoy the show!
